MURPHY, the Jeweler and Optician.

A Demosthenes in the person of Mr. Lucien Wilson has risen up among the East Enders. The mission he has assigned himself is of the Moses' order, with a slight variation. Instead of leading them out of the wilderness he will endeavor to open their eyes to the many pitfalls of sin that seem to environ a good many in this part of the Lord's vineyard. RETURNS TO STAGE

Mrs. Charles Tabb Pearce to Again Appear Before Footlights

Mrs. Charles Tabb Pearce (Mary Hall) of Cincinnati, the one-time popular leading lady of the Pike Stock Company, will return to the stage.

A sense of honor, it seems, constrains Mrs. Pearce to fulfill a contract which she signed last winter, before she had secured her divorce from her first husband, Smith B. Hall, Minneapolis, Minn., and, consequently, before she had any idea as to when her marriage to Dr. Pearce would take place.

Mrs. Pearce signed the contract with Mr. Frohman on January 1st last, the contract reading that she is to play parts next to Julia Marlowe in the plays in which Mr. Frohman is to star Miss Marlowe.

Mrs. Pearce will play the role of the Queen in "Hamlet" and of Hero in "Much Ado About Nothing."

In case the contract is not altered, Mrs. Pearce, accompanied by her husband, will go to New York next week for the rehearsals which are to be held in that city.

The season will open in Chicago September 19th, where the company will remain four weeks, then going to New York for a period of six weeks, after that on the road.

Whitaker Post of Louisville is now raising the question of Negro equality because Pearce has been commanded to take charge of the Kentucky train to the National Encampment in Boston, has written a card in which he says that he will only be the commander of the G. A. R. train as far as Lagrange.

Nobody knows nothin', you know, 'cept THE LEDGER Editor.—Evening Bulletin.

Why, bless your dear life, sonny, what THE LEDGER Editor doesn't know would make a large book; but he's willing and anxious to learn. S'pose, for a starter, that you tell him when Labor Day became a National Holiday,—as you said it was?

"There is no difference between a place run like that and the other saloons of the country."—P. A. Baker, Superintendent of the National Anti-Saloon League.

Mr. BAKER is speaking of the Subway Tavern, under the auspices of a number of prominent gentlemen in New York, which was opened a few days ago with religious services by Bishop POTTER. This "saloon" sells to no one who is drunk; doesn't sell its patrons enough to make them drunk; doesn't admit disreputable characters of either sex; furnishes pure liquors, as well as all sorts of "soft drinks," and is altogether more in the nature of a "Poor Man's Club" than a saloon. And yet the impracticable Mr. BAKER can see no difference between this and the "dive" where men are drugged into insensibility and then robbed or murdered. With such asses as BAKER at the head of the temperance movement it's no wonder it has proven a dismal failure.

The people of Mississippi have become very much aroused over the refusal of the Postoffice officials at Washington to name a Postoffice "Vardaman," in honor of the Governor of that state.

The reason why the Washington officials declined to thus honor the Mississippi Governor is found in the villainous attack of that person upon the mother of President ROOSEVELT. The reference to Mrs. ROOSEVELT appeared in an editorial in Governor VARDAMAN's paper, The Greenwood Commonwealth, January 10th, 1903. It reads:

"It is said that men follow the bent of their genius and that prenatal influences are often potent in shaping thoughts and ideas in after life. Probably old lady ROOSEVELT, during the period of gestation, was frightened by a dog and that fact may account for the qualities of the male pup which are so prominent in Teddy. I would not do either an injustice, but am disposed to apologize to the dog for mentioning it."

It would be hard to conceive anything more villainous than this assault on a defenseless woman, and coming from the Governor of a state, too, presumably—but presumably only—a Gentleman with a big G. It is not too much to say that if a Northern Republican Editor had used such language in regard to the mother of President CLEVELAND, he would have been expelled from the community which he had disgraced, and deservedly.

But VARDAMAN—Governor VARDAMAN, if you please, even Gentleman VARDAMAN with a boldface capital G—reiterates his dastardly attack through this brazen "reply" to his critics—

"I have never in all my life written or said anything derogatory to or that rested upon the fair name of the good mother of ROOSEVELT, or any good woman. I am not responsible for what the campaign liars ascribed to me during the campaign in Mississippi last year, and I protest against being misrepresented. All that I have ever written or said about the ancestors of the said THEODORE ROOSEVELT was in defense of said ancestors against the unjust charge of responsibility for the moral and racial degeneracy of the accidental occupant of the White House, whose conduct, if persisted in, in the Vardaman Postoffice matter, demonstrates his infinite littleness."

What a splendid type of the "Southern Gentleman" is Governor VARDAMAN of Mississippi!

Carbonate Your Drinks.

In the economy of the human body carbon is of value as a heat and tissue producer. Oxygen is essential to the enrichment and proper circulation of the blood. In combination as a gas in the proportions of one part carbon to two parts oxygen they serve as a ready solvent of the mineral ingredients of food, preparing them for absorption by the tissues of the digestive organs. A simple method of carbonating drinks in the household is by the use of Sparklets. They are applicable not only to water, but to any beverage such as wine, milk, tea, etc. We will be glad to show you

A curious instance of the formation of artificial snow was witnessed on one occasion in the town of Agen, in France. A fire broke out in a sawmill when the temperature was 10° below the freezing point. The water thrown upon the fire was instantly vaporized, and, rising in the cold, dry air, was immediately condensed and fell as snow. With bright starlight and a strong Northwest wind blowing the whirling snow above and the raging fire below, a brilliant spectacle was presented.

Minerals containing radium have been discovered in the province of Quebec. Ore from which radium and oxide of uranium have been extracted was taken from a white mica mine about eighteen miles back of Murray Bay, in Charlevoix county. White mica deposits exist at several points in Quebec and Eastern Ontario, and these will be developed next summer by an electric company, which hitherto has imported its mica supplies from India.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Hussa, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
